Class sessions: Wednesday 5:00 pm – 8:00 pm and Saturday 8:00am – 1:00pm

Course dates: January 7, 2015 – April 11, 2015

PMCC Exam: April 18, 2015

Class location: 765 Amana Street Suite 302 Honolulu, Hawaii 96814

Class size: 8 students

Class pre-requisites: (1) Two years' experience in medical office management, billing, coding, or insurance fields. (2) Completion of a course in medical terminology (pre-requisites may be waived in certain circumstances; instructors will assess applicant qualifications)

Class cost: \$2500.00 Price includes 2014 CPT manual, ICD-9 manual, ICD-10 manual, HCPCS Level II manual, all course workbooks and materials, CPC exam study guide and examination fee. Student is responsible for individual AAPC student membership of \$70 – must be a member to sit for the certification examination.

Additional courses: Upon completion of the PMCC course and achieving certification, students may enroll in ICD-10-CM specialty code set training courses.

At the **HCCH Learning Center** we offer small classes to enhance a personalized training experience for professionals aspiring to achieve certification. We encourage interested applicants to enroll as soon as possible due to limited class size.
